Mob. : 7804085850

I am completed B.Sc (Elec.) from Dr. Hari Singh Gour University, Sagar in 1993 and M.Sc. (C.S.) from Devi Ahilyabai University, Indore in 1995. I joined in the State Forest Research Institute, Jabalpur (M.P.) in the year 1997. I have about 18 years research experiences in the field of computer application, RS-GIS application, web application, networking etc. Being In-charge of GIS cell of Forest Ecology and Environment division, I have worked in ArcGIS and Erdas Imagery for developing various maps of land use/land cover, contour, grid, digital elevation model/slope, vegetation cover, drainage, corridor planning, survey and demarcation etc. in related to mining, wildlife, EIA/EMP and various developmental projects. Pioneer efforts on "Study on soil erosion/soil flow from the over burden areas with the help of GIS in Khadia project of Northern Coalfield Limited have been successfully recently completed and also associated in various research projects of the branch.

Specialization : RS-GIS application, Web application, Networking
