I am completed my post graduation in Commerce from Dani Durgawati University, Jabalpur in year 1993. I joined Madhya Pradesh Forest Department in the year 1986. After my promotion, I am working in the post of Forester since 2010. I have more than 29 years research experiences while working in Forest Botany, Forest Ecology and Environment division of SFRI, Jabalpur and Social Forestry division of forest Department of M.P. I have been associated in Forest resource assessment and management, In-situ and ex-situ conservation and management of Medicinal and Aromatic Plants, EIA, monitoring and evolution of plantations, RDFs etc. related projects.

**Specialization :** Forest resource assessment and management, Inventory of Medicinal & Aromatic Plants in natural tropical forest of M.P.

**Publication :** A book of "Van Aaussadhi Upchar Sangraha" in the year 2001.
